VARIO D4
POP UP

Example type: VA 4833 P1, 2 pcs. VA 5020, VA 8056
Panel recommendation: 1 mm PVC

When you want to create a fast, persuasive impression in a place where crowds of people meet or pass by, vario d4 is the ultimate solution.

Large format text and pictures are displayed simply and ingeniously. Panel sections can be mounted rapidly without unsightly seams. The simple, lightweight construction makes vario d4 perhaps the most powerful support for your messages available anywhere. The display, lighting and pictures are stored separately in the practical transport case, which is easily converted into a counter.

The vario d4 is extremely compact when dismantled and requires little storage space.
